To whom it may concern,

As of this date, I fully endorse and support Tricia Lyons as a candidate for Toledo City Council, Toledo, Ohio. Ms. Lyons has shown her drive, determination, and understanding of the workings of government and leadership of people. She has also proven herself in the area of Constitutional knowledge. These things are of the utmost importance, when one seeks to position themselves as a servant of the people, in the area of politics. Ms. Lyons brings a fresh new approach and intelligent insight as to what the city of Toledo needs. I am fully confident that Ms. Lyons is more than capable of leading the City of Toledo and making decisions based not only on laws and resolutions but also the will of the people and what is deemed to be the best interest of the city of Toledo.

Sincere regards,

Craig Rower,

Mayor, Village of Fayette, Ohio
